HOMWORK AGREEMENT

Homework bridges the gap between school and home, helping children reinforce what they learned in class while building essential life skills like responsibility, time management and independent problem-solving.

The School will:

- Give homework that is appropriate to the ability of your child.
- Value homework as another way to raise standards.
- Give homework that not just completes class work but complements it.
- Follow up and feedback at the next appropriate lesson.
- Make homework part of the school routine in line with government regulations.
- Set up lines of communication between home and school.

The Parents/Carers will:

- Provide a suitable, peaceful place in which my child can do their homework.
- Place a high value on homework and show how it can help in school.
- Encourage my child to enjoy and complete homework.
- Involve ourselves in homework activities.
- Let the school know if there are any difficulties with homework.

The Child will:

- Always do my best with my homework.
- Tell my parents/carers or teacher if there are problems with my homework.
- Finish my homework and take it to school on time.
- Look after everything that I borrow from school.
