

LET'S TALK CHILDREN'S SERVICES

LISTENING TO PARENTS AND CARERS WITH EXPERIENCE OF
OUR CHILDREN AND FAMILIES SERVICE

WHAT IS LET'S TALK?

This is our first annual Lets Talk event. It's a chance for parents and carers who have had involvement with South Tyneside Children and Families Service to come together and share their views.

Our aim is to continue learning, listening and improving, and we know the best way to do this is to work together with families. Please come along and tell us what you think - good or bad - so that we can move things forward together.

Senior managers will be there to hear your views and answer any questions you have.
