### RESPONSIBLE INTERNET USE

The school has a network enabling internet access throughout the school. This provides opportunities for the children to further their education and for staff professional development.

We have all the precautions in place to block unwanted websites and procedures to follow in case of accidental breach of the system. This statement is to protect pupils, staff and the school.

Children are encouraged to use the internet in a responsible manner.

Teachers use the internet as a tool to enhance a lesson.

### Rules for Responsible Internet Use

- I will ask permission from a member of staff before using the internet.
- I will email only people I know, or people who my teacher has approved.
- The messages I send will be polite and responsible.
- I will not give my home address or telephone number, or that of anyone else.
- I will report any unpleasant material or messages sent to me. I understand this report will be confidential.
- I understand the school may check my computer files and can monitor the internet sites I visit.
- I will ask permission before downloading or printing material from the internet.
- I will use the internet only for school work tasks advised by my teacher.
