Sculpture and 3D: Making memories

Overview

This unit teaches pupils to create expressive sculptures and reflect on artistic decisions. Children learn to represent memories through art, using various materials and techniques, and develop skills in planning, creating, and evaluating 3D sculptures.

Joseph Cornell

Cornell made 3D art from found objects with personal meaning assembled in a box. He was one of the first artists to create 'Assemblage' art.

Assemblage in the style of Cornell.
